

### FOR 55" TO 85" SINGLE DISPLAYS AND 55" TO 75" DUAL DISPLAYS

Peerless-AV's Universal UC/VC Soundbar Mount comes with all the necessary hardware to mount UC/VC soundbars (with suitable fixing points) above or below your display. This mount is fully adjustable, so you can minimize the gap between your display and soundbar for a clean finish. The flexible design can be used with soundbars up to 19.8lb (9kg) and is designed to work with single displays up to 85" and dual displays up to 75".
