

## Floor supported wall lift

### **052.7150B** Floor supported wall lift XXL for touch screen 86 inch, 120 kg - BLACK

This floor lift offers thanks to its double columns extra stability and robustness for working with a touch display. The display can easily be adjusted in height with the remote control, it adjusts it silently & electrically in height. At the back side of the mounting utility, space is reserved for placing a mini PC or thin client.

The stand offers an integrated bracket with a VESA of maximum 600-400. Product is good accessible with the accessories of the floor lifts (for example five surface solution, soundbar bracket or a compact locking lid can easily be utilized).

Floor supported wall lift
