

Divisible stand max. 65 inch

062.1040 Fully divisible stand max. 65" incl. bracket max. 600-400

The SmartMetals fully divisible stand is particularly suitable for rental applications. Due to the stand being divided in 4 parts: the base plate, the column in two parts of 95cm and the VESA bracket, the stand and the screen can be transported compact in a flightcase. Furthermore this stand has three separate cable ducts, the flat panel can be fastened by means of coupling bolts and it can be installed without using any tools.
