

Business & VC stand

062.2866 Business & VC stand static, max. 2x 65 inch max. 100 kg

Besides our standard trolleys with and without height adjustment, used mostly in education, we have made available a range freestanding and movable solutions for the use of (touch-)flat panels and VideoConference in the business market. These stands have a luxurious look and feel and offer the space to easily place your peripheral equipment out of sight in the enclosure. Available are several accessories to build-in such equipment and for a VideoConference camera or a soundbar are easy to mount adapters available.

De 062.2866 is a freestanding solution and offers a fixed highest position for 2 monitors of max. 65 inch, with a maximum weight of 100 kg. The monitors centre can be freely determined from 1118 - 1368 mm from the floor; making the stand ideal for use in meeting rooms and (compact) boardrooms. In case a higher position of the monitor is preferred, one could opt for the 062.2876 or one of the other electrical in height adjustable stands & trolleys. Of course the SmartMetals team is there to help with advise and making the proper choice for your installations.
