Floor lift on wheels

062.7225B Floor lift on wheels incl. anti-collision, max. 98 inch, 180 kg - BLACK

This black trolley offers thanks to its 3 columns extra stability and robustness for working with a touch display. The display can easily be adjusted in height with the remote control, it adjusts it silently & electrically in height. At the back side of the mounting utility, space is reserved for placing a mini PC or thin client.

The stand offers an integrated bracket with a VESA of maximum 600-400. Product is good accessible with the accessories of the floor lifts (for example soundbar bracket or a compact locking lid can easily be utilized). Besides that, handles are now available for all floor stands with a lift system.
