

Back to back kit incl. bracket VESA 200

072.8000-222 Back to back kit incl. bracket VESA 200 for ceiling mounts

SmartMetals introduces 2 new back to back kits including a VESA bracket which can be combined with the new light series ceiling mounts. These brackets can be used when you wish to mount your displays in a back to back position. The brackets allow the displays to be mounted in portrait and landscape and offer a tilt angle of 15°. The back to back kit includes a VESA 200 or 400 bracket. To mount the screens to the ceiling you can use a SmartMetals ceiling mount (e.g. 072.8100-122)

Back to back kit incl. bracket VESA 200
