Quick Release Accessory

FOR SMARTMOUNT® SUPREME FULL SERVICE
VIDEO WALL MOUNT, DS-VW775

This Quick Release Accessory offers the SmartMount® Supreme Full Service Video Wall Mount even more versatility than it already has. The quick release mechanism provides access to a display in recessed video wall applications. Simply pull on the discretely placed tab located on the display bezel and the display gently extends for service. Once the display/mount has been extended, you will have access to release the surrounding displays, allowing for quick and easy display maintenance.

Quickly and easily pop-out displays for maintenance with the Quick Release Accessory.

Additional Features

- ✓ Quick release mechanism provides display access in recessed video wall applications
- ✓ An extended display will provide access to release displays around it
- ✓ Portrait and landscape options available
